MSE has been at the forefront of economics and financial research in South Asia. MSE has an impressive collection of faculty working in a variety of areas related to Finance and Economics. In its quest to promote excellence and disseminate knowledge, MSE is pleased to announce two PGDM Programs in **(i) Finance (ii) Research & Business Analytics**, approved by AICTE, Ministry of HRD, GOI.

About the Program

These two programs aim to train students for technically challenging jobs with financial institutions, consulting services, and analytics companies. They also provide a unique combination of knowledge of complex theories with rigorous exposure to the underlying mathematical-statistical theories and practical financial modeling to enhance the ability of the students to meet the demand of today's industry. Experts from industry further enrich the students ability.

Program Objectives

- Develop a strong foundation for Inter-disciplinary work
- Combine course works from areas of Finance, Economics, Management Analytics and Data Sciences
- Exposure to the latest trends in Academics and Industry through Projects and Internships
- Offer good Placements

Placement

MSE has already proven record of 100 percent placement for its existing P. G Degree Programs. Leading multinational companies visiting MSE campus regularly are: CITI, Deloitte, Ford, TCS, HSBC, Cognizant, JP Morgan etc. MSE has a dedicated team to take care of internship and placements.

About MSE

Established in 1993, the MSE is a leading (non-profit and non-Governmental) academic institution in the country under the guidance and leadership of Padma Vibhushan Dr. C. Rangarajan (former Chairman of Economic Advisory Council to former Prime Minister and former Governor of RBI).

MSE has established itself as a Centre of Excellence in Post-Graduate teaching and research in Economics, Environment, and Finance in the country. It is unique as it offers 5 Post Graduate Degree Programs related to Economics/Finance/Actuarial/Environment, jointly with CUTN, Thiruvapur. As MSE adopts quantitative, data-driven, analytical approach, these programs attract students from all over India and our students are well placed every year. AICTE has approved MSE as a new Technical Institution in April 2018 and to start these two 2-year full-time PGDM courses.

MSE has well equipped library, computer facility, reading hall, hostel facilities etc. For more details, please visit www.mse.ac.in.
