SEAT ALLOTMENT LIST FOR PROVISIONAL ADMISSION (2022-23)

The following is the list of candidates considered for the first round of provisional admission in the M.A. Programme. This list has been prepared based on total marks obtained in the MSEET examination, programme preferences, and respective quotas. Candidates would have received an email from the MSE admission committee (please check the email id which you have given for entrance exam) detailing the online admission process, fee structure and the payment process. Candidates are required to pay the fees by 20th July 2022 to secure provisional admission. Failure to pay fees on or before 20th July 2022 will automatically cancel your provisional admission.
